

THE FIRST PUBLIC ANNOUNCEMENT OF AUSTIN SOL FC

Sol Soirée

FRIDAY, AUGUST 7, 2026 | 6:30 PM – 8:30 PM

An intimate evening of connection, vision, and purpose.

OUR VISION IS AS FOLLOWS:

Austin Sol FC is building soccer's true pathway to the professional level: a sustainable system of development, starting at age four, where no athlete gets left behind, and where women are the force that quietly and boldly ensure this is the case.

We are a different kind of enterprise, one that honors people first. Inspired by Malek Ben-Musa's journey as a professional player, and by the strong women who shaped him and his wife and business partner, Fayruz Benyousef, we invest in people who share our passion for the beautiful game, and in doing so, shine a light on our region and the talent within it.

GUEST OF HONOR

Elizabeth Avellán

Academy member and award-winning producer behind *Spy Kids*, *Sin City*, and *Desperado* — and a cornerstone of Austin's film community.

She is working on a new movie that features Real Madrid legend **Marcelo Vieira da Silva Júnior**, one of football's most decorated champions of all time, along with Hollywood superstar **Antonio Banderas**.

SPECIAL MUSICAL GUEST

Jon Muq

The Austin-based, Uganda-born singer-songwriter whose acclaimed debut *Flying Away* has carried him from the streets of Kampala to stages with Billy Joel and Norah Jones. Live set to close the evening.
